Appendix X – Sworn Contractor Certification Requirements **for both Bidder and Major Subcontractors.**

Appendix Y – Exhibit E-2: Form of Contractor Certification and Consent [Not required].

Appendix Z – Supplemental Conditions: Educational Facilities Construction [Not required].

Note:

Bidders are advised to review the Bidder's Checklist above carefully to ensure that the Bid Submission package includes all mandatory attachments, and that those forms, documents and affidavits requiring signature have been signed, and further, that those documents requiring a Notarized Signature have been duly executed with the Notary's signature and seal.

Many attachments are mandated by law to be included with the bid submission, and failure to include certain ones of them cannot be repaired after bids have been opened. This is why the Bidder's Checklist should be checked with care.

However, please note that some appendices may be requested to accompany the bid, but are not mandated by law to be attached to the bid at time of submission. In such cases listed below, the requested documents still must be provided to the Owner prior to award of contract. Since the Bidder may not be fully aware of the Owner's intended date for resolving to award the contract, The Board of Education is requesting the provision of such documents with the Bid, so that Bidders can assure themselves that they have complied with the legal deadline for sure. Bids may not be rejected solely for lack of those exhibits listed below:

Appendix N1 – Contractor Registration Certificate (Department of Labor, Division of Wage and Hour Compliance) Sample certificate enclosed. Contractor may provide copy of originals with bid submission (**for both Bidder and ALL Subcontractors**), but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Appendix N2 – Business Registration Certificate. Sample certificate enclosed. Contractor may provide copies of original documents as part of bid submission **for both Bidder and ALL Subcontractors**, but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Post bid submittals:

In addition to Appendices N1 and N2 listed above, which may be submitted post bid, but still prior to award of contract, the successful bidder must submit, prior to award of contract, a Certification of Non-Debarment for Federal Government Contracts per N.J.S.A. 52:32-44.1 (P/L/ 2019, c.406). The required Certification form may be obtained from the District's Business Administrator. It must be completed, signed, and submitted prior to award of contract.

This Certification of Non-Debarment for Federal Government Contracts is not the same as Appendix S in this Section, which is to be submitted with the bid by all bidders. This post-bid Certification of Non-Debarment by the successful bidder discloses information on those persons or entities having a controlling interest (more than 50% ownership) in the bidder. It also contains controlling ownership information on any affiliated companies owned or controlled by the bidder or its owning or controlling entities. Submittal by the successful bidder, and review of the completed Certification by the District are both required prior to award of contract to the successful bidder.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The Contractor and the Board of Education (hereafter "Owner") do hereby agree that the provisions of Title II of the Americans With Disabilities Act of 1990 (the "Act"), (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The Owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the Owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

The disclosed information may exceed the minimum requirement.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:
