- **Before and After Care for Elementary School Students:** The Glen Rock Community School will be offering Before Care (7 AM - 8:33 AM) and After Care (3:18 PM - 6:30 PM) at each elementary school. At this time we are looking at additional offerings. [More information and registration](#). [Contact the Director](#) with any questions. Our goal is to keep the students happy, enriched and healthy in the program. Students will be grouped with students in the same grade when possible. We will incorporate as much outdoor time as possible and students will be broken into smaller groups that they will remain with each day they attend the program. Supplies, toys and cleaning procedures are being discussed and evaluated. Please note due to the planning that is involved in the program during this time, students will ONLY be allowed to enter the program at two points during any given month. Previously students could start the programs on Mondays. We cannot accommodate entering the program on non-specified dates due to planning and preparation. We are also working on contactless drop off and pick up. More plans will be released throughout the summer.

- **Scheduling Committee Led by Mrs. Tina Bacolas, Assistant Principal of Glen Rock High School and Instruction Committee Led by Mr. Paul Cusack, K-12 Supervisor of Instructional and Educational Technology/Media Center:**

On July 14th, the K-5 and 6-12 subcommittees of the Instruction Committee met to review and continue developing the Instruction Plan for the reopening of school in September. The sub-committees engaged in meaningful conversations, continued to collaborate and made necessary modifications to ensure that

the plan delivers effective and efficient instruction, addresses the needs of the students and minimizes risk.
