Assessments: Each year, the New Jersey Department of Education (NJDOE) requires that New Jersey school districts, charter schools, and renaissance school projects notify parents or guardians by October 1 of any statewide student assessment or

commercially developed standardized assessment that will be administered over the course of the school year.

While we are awaiting further guidance from the NJDOE, all districts have been instructed to prepare for the implementation of NJSLA in the Spring of 2021. Please reference the email from Michelle Giurlando, Director of Student Personnel Services for more information and links.

- **GR High School**

(Grades 9-11) photos will be taken on October 1 (A Day) and October 2 (B Day) during physical education class in the HS gym. Order forms and materials will be sent to student homes. Note that all order forms will say "October 1st" even though the date for B-Day students is October 2nd. Please ignore this error.

Remote Students: Please come in during lunch (11:00 am - 12:00 pm) on one of these two days to have your photo taken. Enter through the Sports Lobby. Details to follow. If you prefer to just use your photo from last year, email Ms.Cella or Mr.Kupka and just let them know.
