Dear Glen Rock Parents and Guardians,

We have updated one question on the Daily COVID-19 Symptom Check Form.

Under the heading **CLOSE CONTACT/POTENTIAL EXPOSURE**, Question #1 now reads:

Has this student been in close contact with someone who tested positive for COVID-19 in the last 14 days?

The change in this question reflects guidance from the NJDOH that indicates only students with first-hand exposure to COVID-19 must quarantine. Siblings who have not been directly exposed may attend school unless the exposed student begins to experience COVID-19 compatible symptoms.

The updated form will go into effect tomorrow, December 1, 2020.

Sincerely,

Michelle Giurlando
Director of Student Personnel Services
