December 1, 2020

Dear Parents and Guardians,

This letter is to notify you that the COVID-19 Dashboard has been updated with new cases that have been reported to the district. Please note the following additions to the dashboard.

Glen Rock Middle School: Three (3) GRMS students that exhibited COVID-19 symptoms were sent home today. All students will need to get a COVID-19 test prior to returning to school. Close contacts were identified and informed to quarantine until the students receive the results of their test.

Coleman Elementary: The remaining student with COVID-19 like symptoms tested negative. Close contacts were notified this afternoon to end quarantine and return to school.

If any changes were to occur to a school schedule they would be listed below.

To view the dashboard of COVID cases in the district, visit the [COVID-19 Dashboard](#). Once on the dashboard you may click on a school for more detailed information.

As shared above, the appropriate contact tracing has been completed and all affected parties were informed. In addition, the local health officer, the school doctor and other officials were notified as well.

Sincerely,

A handwritten signature in blue ink that reads "Brett Charleston".

Brett Charleston, Ed.D.
Superintendent of Schools
