• **Spreading Joy**

Thank you to the Martin Family for facilitating the “100,000 Thank Yous” campaign - sending love and appreciation to the men and women in our service!

Preschool: Mugs for our Hospital Heroes: With the recent rise in Covid Cases and after speaking with the Volunteer Coordinator at Valley it seems like our local hospital heroes could use a pick me up as of late. So as a holiday project, the class will have a chance to make and gift a mug for these heroes.

Have an announcement about something a student did in the community or a school club that did something outstanding to spread joy, send it to demeulder@glenrocknj.org.

• **Holiday Enrichment: [Registration online](#)**
