Dear Parents and Guardians,

This letter is to notify you that the COVID-19 Dashboard has been updated with new information that has been reported to the district. Please note the following addition to the dashboard.

High School - December 15 - One (1) GRHS staff member tested positive for COVID-19 today. The staff member took the test on December 14. The staff member was last in the building on December 7. No close contacts were identified and, as such, there is no need to contact trace. No change to the HS/MS schedule

To view the dashboard of COVID cases in the district, visit the [COVID-19 Dashboard](#). Once on the dashboard you may click on a school for more detailed information.

As shared above, the appropriate contact tracing has been completed and all affected parties were informed. In addition, the local health officer, the school doctor and other officials were notified as well.

Sincerely,

A handwritten signature in cursive script that reads "Brett Charleston".
