December 23, 2020

Dear Parents and Guardians,

This letter is to notify you that the COVID-19 Dashboard has been updated with new information that has been reported to the district. Please note the following addition to the dashboard.

Middle School - December 23 - One (1) GRMS student tested positive for COVID-19 on December 22. The student was last in the building on December 16. Since the student was last in the building on December 16, there is no need to contact trace. The MS will open for in person instruction on January 4.

To view the dashboard of COVID cases in the district, visit the [COVID-19 Dashboard](#). Once on the dashboard you may click on a school for more detailed information.

As shared above, the appropriate contact tracing has been completed and all affected parties were informed. In addition, the local health officer, the school doctor and other officials were notified as well.

Sincerely,

Brett Charleston, Ed.D.
Superintendent of Schools
