Dear Parents and Guardians,

This letter is to notify you that the COVID-19 Dashboard has been updated with new information that has been reported to the district. Please note the following addition to the dashboard.

Hamilton School - January 4 – A Hamilton Elementary student that exhibited COVID-19 symptoms was sent home today. The student will need to get a COVID-19 test prior to returning to school. There were no close contacts identified and therefore no students or staff are required to quarantine.

To view the dashboard of COVID cases in the district, visit the [COVID-19 Dashboard](#). Once on the dashboard you may click on a school for more detailed information.

As shared above, the appropriate contact tracing has been completed and all affected parties were informed. In addition, the local health officer, the school doctor and other officials were notified as well.

Sincerely,

A handwritten signature in cursive script that reads "Brett Charleston".
