January 5, 2021

Dear Parents and Guardians,

This letter is to notify you that the COVID-19 Dashboard has been updated with new information that has been reported to the district. Please note the following additions to the dashboard.

Hamilton School - January 5 - One (1) Hamilton staff member tested positive for COVID-19 today. The staff member was last in the building on December 22. Since the staff member was last in the building on December 22 there is no need to contract trace. No change to the Hamilton AM/PM schedule.

Central School - January 5 – One (1) Central Elementary student was sent home today with COVID-19 like symptoms. The student will need to get a COVID-19 test prior to returning to school. Close contacts were identified and informed to quarantine. Contact tracing complete. No change to Central AM/PM schedule.

To view the dashboard of COVID cases in the district, visit the [COVID-19 Dashboard](#). Once on the dashboard you may click on a school for more detailed information.

As shared above, the appropriate contact tracing has been completed and all affected parties were informed. In addition, the local health officer, the school doctor and other officials were notified as well.

Sincerely,

A handwritten signature in cursive script that reads "Brett Charleston".

Brett Charleston, Ed.D.
Superintendent of Schools
