Dear Glen Rock Families,

Congratulations: Have joy to spread, email demeuldera@glenrockni.org.

• Glen Rock High School Psychology teacher Alan Feldman was one of 4 high school psychology teachers in the nation to be invited to work with the American Psychological Association on an advocacy program with the National Institute for Health. This week Mr. Feldman worked with world-renowned psychologists, researchers, and college professors in helping members of Congress understand the need for behavioral science initiatives, especially for programs aimed at helping high school students deal with the mental stresses of virtual learning and the hardships brought on by the Covid pandemic. Mr. Feldman met with many members of Congress including New Jersey's own Senators Booker and Menendez, Representatives Malinoski, Pallone, and Gottheimer. We appreciate all the work Mr. Feldman is doing in advocating for the mental health of our students!

- Matt Shulkin is Bergen County Tennis Tournament Champion
  He won the 2021 BCCA Boys Tennis County Tournament Championship in first singles. He
  defeated Sandeep Alipati from Bergen Tech 7-6 (7-3), 6-1 in the final match. This was the second
  time for the county tennis tournament "Top 16" format. The competition from all of the schools
  was very strong in every position. Glen Rock is one of the smallest schools in the tournament, but
  school size doesn't determine success in this case. Matt had previously won the Small Schools
  County Tournament in 2nd singles as a freshman and has been previously honored as a 1st

Team All County selection for his outstanding season in 2019. Glen Rock Boys Tennis is very proud of all of Matt's accomplishments!
