PLEASE READ CAREFULLY BEFORE PROCEEDING

The questions asked on the following pages will enable us to determine your student's eligibility to attend school in this district in accordance with New Jersey law. *Please be aware that N.J.S.A. 18A:38-1 and N.J.A.C. 6A:28-2 specify that a free public education will be provided to any student between the ages of 5 and 20 who is:*

- Domiciled in the district, i.e., living with a parent/guardian whose permanent home is located within the district. A home is permanent when the parent/guardian intends to return to it when absent and has no present intent of moving from it, notwithstanding the existence of homes or residences elsewhere.
- Living with a person, other than the parent/guardian, who is domiciled in the district and is supporting the student without compensation, as if the student were his or her own child, because the parent/guardian cannot support the child due to family or economic hardship.
- Living with a person domiciled in the district, other than the parent/guardian, where the parent/guardian is a member of the New Jersey National Guard or the reserve component of the U.S. armed forces and has been ordered into active military service in the U.S. armed forces in time of war or national emergency.
- Living with a parent/guardian who is temporarily residing in the district.
- The child of a parent/guardian who moves to another district as the result of being homeless.
- Placed in the home of a district resident by court order pursuant to *N.J.S.A. 18A:38-2*.
- The child of a parent/guardian who previously resided in the district but is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency pursuant to *N.J.S.A. 18A:38-3(b)*.
- Residing on federal property within the State, pursuant to *N.J.S.A. 18A:38-7.7 et seq.*

Note that "guardian" means a person to whom a court of competent jurisdiction has awarded guardianship or custody of a child, provided that a residential custody order shall entitle a child to attend school in the residential custodian's school district subject to a rebuttable presumption that the child is actually living with such custodian; it also means the Department of Children and Families for purposes of *N.J.S.A. JBA:38-1(e)*.

Note that the following do not affect a student's eligibility to enroll in school:

- Physical condition of housing or compliance with local housing ordinances or terms of lease.
- Immigration/visa status, except for students holding or seeking a visa (F-1) issued specifically for the purpose of limited study on a tuition basis in a United States public secondary school.
- Absence of a certified copy of birth certificate or other proof of a student's identity, although these must be provided within 30 days of initial enrollment, pursuant to *N.J.S.A. 18a: 36-25.1*.
- Absence of student medical information, although actual attendance at school may be deferred as necessary in compliance with rules regarding immunization of students, *N.J.A.C. 8:57-4.1 et seq.*
- Absence of a student's prior educational record, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the district.

The following forms of documentation may demonstrate a student's eligibility for enrollment in the district. Particular documentation necessary to demonstrate eligibility under specific provisions in law will be indicated in the appropriate section of the registration form.

- Property tax bills, deeds, leases, mortgages, signed letters from landlords and other evidence of property ownership, tenancy, or residency.
- Voter registrations, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location.
- Court orders, state agency agreements and other evidence of court or agency placements or directives.
- Receipts, bills, cancelled checks, and other evidence of expenditures demonstrating personal attachment to a particular location, or, where applicable, to support of the student.
- Medical reports, counselor, or social worker assessments, employment documents, benefit statements, and other evidence of circumstances demonstrating, where applicable. Family or economic hardship or temporary residency.
- Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, legal guardian, person keeping an "affidavit student," adult student, person(s) with whom a family is living, or others, as appropriate.
- Documents pertaining to military status and assignment.
- Any business record or document issued by a governmental entity.
- Any other form of documentation relevant to demonstrating entitlement to attend school.

The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented.

You will not be asked for any information or document protected from disclosure by law or pertaining to criteria, which are not legitimate bases for determining eligibility to attend school. You may voluntarily disclose any document or information you believe will help establish that the student meets the requirements of law for entitlement to attend school in the district, but we may not, directly or indirectly, require, or request:

- Income tax returns;
- Documentation or information relating to citizenship or immigration/visa status, unless the student holds or is applying for an F-1 visa;
- Documentation or information relating to compliance with local housing ordinances or conditions of tenancy;
- Social security numbers.

Please be aware that any initial determination of the student's eligibility to attend school in this district is subject to more thorough review and subsequent re-evaluation, and that tuition may be assessed in the event that an initially admitted student is later found ineligible. If your student is found ineligible, now or later, you will be provided the reasons for our decision and instructions on how to appeal.

PERMISSION FOR STUDENT PARTICIPATION IN SCHOOL PUBLICITY

Dear Parent/Guardian,

Your child will be participating in many interesting and exciting events and activities during the coming school year, which may result in publicity both within the school community and beyond the District via mass and social media.

In an effort to share accomplishments of our students and staff, students' names and/or likeness, photographs, images, and/or other personally identifiable information may appear on, but not limited to, the following:

- Bulletin boards in classrooms/hallways
- Internal school publication
- School slide presentations
- Area media outlets including newspapers, radio and TV stations and their websites
- School videos
- The school or District websites
- The District Facebook page
- Schools' and District's Twitter feed
- The GRHS student TV news program via Glen Rock TV

As you are aware, there are potential dangers associated with the sharing of personally identifiable information on a website since global access to the Internet does not allow the District to control who may access such information. These dangers have always existed; however, the District's sole intent is to celebrate your child and his/her achievement and to publicize the interesting and exciting events occurring during the school year.

Pursuant to law, we will not post or share your child's name and/or likeness, photos/images/videos without your written consent. Please review the enclosed consent form and indicate your position with regard to your child's participation in publicity for BOTH items 1 and 2 below. You may rescind your decision(s) at any time by providing written notice to your school principal. Such rescission shall take effect upon receipt of your written notice by the school principal.

Sincerely,

Dr. Lauren Daniell

INTERNET SAFETY AND TECHNOLOGY

GLEN ROCK SCHOOL DISTRICT AGREEMENT WITH PARENTS/GUARDIANS AND STUDENTS
FOR USE OF THE DISTRICT'S TELECOMMUNICATIONS SYSTEM

To the Parents/Guardians and Students:

Internet access is now available to students and teachers in the Glen Rock School District via the district's telecommunications system. We are very pleased to bring this access to Glen Rock and believe the Internet offers vast, diverse, and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote personal and academic growth and excellence in schools by facilitating resource sharing, innovation, and communication.

The use of a telecommunications system and the Internet is a privilege, increasingly essential to learning that offers new freedoms and demands new responsibilities. However, you must be aware that along with access to computers and people all over the world also comes the availability of material that is not of educational value in the context of the school setting. We are making every effort to prevent access to inappropriate material by using software designed to prohibit access to sites which do not have educational value, but it is impossible to control access to all materials. Nonetheless, we firmly believe that the valuable information and interaction available on the Internet far outweighs the possibility that users may find material not consistent with the educational goals of the district.

The terms and conditions upon which your child will be granted the right to use the district's telecommunications system and the Internet are set forth in the Glen Rock Board of Education Technology Policy and Regulation 2361, a copy of which are attached to this Agreement and incorporated herein by reference. Please be mindful of the fact that the use of the district's telecommunications system and the Internet is a privilege, not a right, and a student's failure to comply with all of the terms of this Agreement may result in a revocation or suspension of those privileges, may subject the student to a suspension/expulsion hearing before the Glen Rock Board of Education and/or may result in criminal and/or civil penalties.

STUDENT AGREEMENT

I have read and I understand the Glen Rock Board of Education Technology Policy and Regulation 2361 and this Agreement. By signing this Agreement, I hereby agree to abide by their terms. Should I violate the Agreement, I understand my access privileges may be revoked, school disciplinary action may be taken against me and/or criminal and civil appropriate legal action may be taken, and I accept all financial and legal liabilities that may result.

I release the Glen Rock Board of Education, its officers, employees, agents, servants, representatives and all organizations and individuals related to the Glen Rock School District telecommunications system from any and all liability or damages that may result from my use of the district's telecommunications system and the Internet. I specifically agree to indemnify and hold the Glen Rock Board of Education, its officers, employees, agents, servants and representatives harmless for any actions, claims, costs, damages or losses, including, but not limited to attorneys' fees, incurred by the Glen Rock Board of Education relating to, or arising out of my use of the district's telecommunications system and the Internet or any breach of this Agreement or the Glen Rock Board of Education's technology policy and regulation by me.

By signing this Agreement, I acknowledge that:

- I understand the use of the network and internet is a privilege not a right.
- I realize that the network and the computers are the property of the board and all work that I do on the network and internet is subject to review by the Glen Rock staff. I have no expectation of privacy.

I will not hold the Glen Rock School District responsible for any materials, or the accuracy or quality thereof, acquired or viewed on this network by my child.

GOOGLE APPS FOR EDUCATION STUDENT AGREEMENT

Dear Parent/Guardian:

The Glen Rock School District has entered into a partnership with *Google Education*. This partnership allows your child to use certain Google applications in order to communicate, create, and collaborate online with teachers and classmates. The idea behind this initiative is to provide all students the opportunity to work with their peers on class assignments in a more productive manner.

By signing this agreement, you are giving permission for your child to participate in online collaborative assignments in his or her classes.

The District has control over the accounts and to which services it allows student access. Software version and computer platform (Mac, PC) will not affect your child's ability to use these services.

Please know that this account belongs to the school; it is not a private space and should not be used by students for *non-school related activities*. If this account is used improperly by the student, the Glen Rock School District reserves the right to cancel the student account or take other disciplinary action at any time. The use of this Google account will be in support of and consistent with the educational goals of the Glen Rock School District, in conjunction with our code of conduct.

Sincerely,

Dr. Lauren Daniell

Director of Student Personnel Services

I give my child permission to participate in the aforementioned collaborative project.

REQUEST FOR RELEASE OF RECORDS

TO WHOM IT MAY CONCERN:

_____ has registered in our school in the _____ grade. Will you please send us a transcript of work completed up to the time of withdrawal? We would appreciate receiving **test records, student disciplinary record(s), personality ratings, State Identification Number, Health Forms – including Immunization Record**, and any other pertinent information that will assist us in placing this student in the appropriate grade and course. It is very important that we also receive individual student GEPA, HSPA, and NJ-ASK reports for students transferring from schools in the State of New Jersey.

Legislation (*The New Jersey Law, P.L. 2002, Chapter 63, Senate No. 256*) signed into law on August 6, 2002 requires the transfer of student disciplinary records. When a student transfers from one public school district in New Jersey to another public school district in New Jersey, the district of last attendance must provide all information in the student's records pertaining to disciplinary actions taken by the district to the receiving district. The district of attendance must also advise the receiving district if it has received any information from the courts concerning juvenile offenses, but not disclose the actual information received. Thus alerted, the receiving district can then contact the relevant juvenile and court authorities for this information. Due to confidentiality restrictions, the district of last attendance cannot release this juvenile offense information directly to the new district.

Thank you for your cooperation.

Very truly yours,

Dr. Lauren Daniell

Dear Parent/Guardian:

Good health is an important factor in your child's ability to secure the maximum benefits from education. In order that we may have better knowledge of the health of our students, and in accordance with New Jersey law and the Board of Education policy, each student must be examined upon entry into the school district. This examination must be done no more than 365 days *prior* to entry, and must state what, if any, modifications are required for full participation in the school program.

Each student's medical examination must be conducted by a healthcare provider chosen by the student's parent/guardian(s) at the provider's facility (the student's medical home). If the student does not have a medical home, arrangements may be made for the examination to take place at the school physician's office.

Kindly have the Physical Form completed by your child's physician and return it to the Health Office as soon as possible. This form must be received no later than thirty (30) days after entering the district.

If you have any questions, please call the Health Office.

Thank you for your cooperation.

Dear Parents/Guardians:

Documentation that your child has received the required immunizations in order to begin 6th grade or subsequent grades needs to be submitted with the other medical information required.

This is a reminder informing you that the New Jersey Department of Health and Senior Services (DHSS) has recently revised the administrative rules with substantive changes to include the requirement of new vaccines for students attending sixth grade. The amended regulations state the following:

Every child born on or after January 1, 1997 and entering grade six on or after September 1, 2008 shall have received one (1) dose of Tdap given no earlier than the 10th birthday.

Children entering or attending grade six on or after September 1, 2008 who received a TD booster within the last 5 years shall not be required to receive a Tdap dose until five (5) years have elapsed from the last DTP/Dtap or Td injection.

Every child born on or after January 1, 1997 and entering or attending grade six on or after September 1, 2008 shall have received one (1) dose of a meningococcal-containing vaccine, such as the medically-preferred meningococcal conjugate vaccine.

The completed paperwork must be brought to the health office as soon as possible. Please make a copy of your documents prior to submitting them. Please speak with your physician regarding any questions. Thank you for your cooperation in this matter.
